Business Plan Packages (PDF, Word & Excel)

Our business plan packages generally include these four files:

1. Comprehensive business plan - PDF
A detailed guide covering the business, market, operations, management, financial projections and practical guidance for running the business.

2. Comprehensive business plan - editable Word document
The detailed plan in Word format, ready to customise for your business.

3. Funding business plan - editable Word document
A shorter version to personalise for a bank loan, investor or other funding application.

4. Automated financial statements - Excel workbook
Update the inputs to reflect your business. The linked financial statements and forecasts update automatically.
